FISCAL IMPACT

BACKGROUND AND ANALYSIS

On May 13, 2003, the City Council introduced an ordinance to establish a five-hour parking limitation on the west side of Rengstorff Avenue between Leland Avenue and a point 156' north of the centerline of Stanford Avenue and between a point 126' north of the centerline of Stanford Avenue and University Avenue. This ordinance was introduced at the request of residents along Rengstorff Avenue concerned about the number of cars with "For Sale" signs parked for extended periods of time, preventing them and their guests from parking in front of their homes.

Attached is a copy of the staff report for the May 13, 2003 City Council meeting (Exhibit 2).
